

7-9 Year Old Social Skills

- Small group size, led by a speech pathologist + volunteers (in speech pathology program)
- Developed by 2 speech pathologists with extensive training in language and pragmatics (social skills)
- Multi-modality approach utilized to engage children, improve comprehension and generalize skills targeted
- Groups incorporate Michelle Garcia Winner's "Social Thinking" Curriculum

Skills targeted:

- Problem solving
- Taking perspective
- Conversational skills
- Asking and answering questions
- Identifying + expressing emotions
- Making and keeping friends
- Being a Flexible Thinker

Social skills targeted through a combination of direct instruction and incidental learning.

Activities include:

- Circle Time/Meeting
- Role playing
- Snack time
- Sensory//Movement activities
- Arts and crafts
- Music
- Social Stories

Both structured and unstructured activities are included to facilitate spontaneous use of skills and carryover/maintenance.

This weeklong group will meet July 24th - 28th from 9:30 AM - 12:00 PM
